Maritime Freight

- ✓ Fully licensed Multimodal Transport Operator – we issue our own MTO Bills of Lading.
- ✓ OTI-NVOCC certified Bills of Lading from FMC, USA
- ✓ A team with in-depth, hands-on knowledge of sea freight
- ✓ Presence at major sea ports and inland locations across India
- ✓ Exclusive contractual rate levels with major shipping lines
- ✓ FIATA agent network worldwide for import and door deliveries in hinterlands
- ✓ Contractual rates for African, Latin American, India-USA, and India-Gulf trade lanes.
- ✓ One of the leading freight companies for hazardous materials in India.

Every benefit above exists for one reason — so that when your cargo is with us, you can place your attention where it belongs: on your business.

Hazardous Logistics

- ✔ A dedicated DG handling team with years of specialised experience.
- ✔ Special DG loading arrangements at ports.
- ✔ Tier-1 contracts specifically for DG cargo with major shipping lines.
- ✔ Complete assistance with DG documentation and formalities.
- ✔ Specialised stuffing and customs clearance team for DG cargo.
- ✔ 24-hour customer service assistance by phone and mail.

Our Chemical clients ship with us week after week- because once you experience handling without friction, you remember it.

Custom Clearance & Project Cargo

CUSTOM CLEARANCE

A dedicated team for import and export customs clearance at major ports and ICDs across India. Speedy clearance. Fast, accurate documentation.

PROJECT, ODC & BREAK BULK

When it comes to odd-dimensional and heavy-lift cargo, a single calculation mistake can be expensive. We get involved from the very beginning – planning, guiding and executing every phase, so you receive a customised transport solution implemented by an expert team working as one.

When your project cargo is too important for a calculation mistake — talk to the team that plans every lift twice, and lifts once.
